BACK TO THE ROOMS THIS SUNDAY

As a result of the draw being re-jigged (again!) we have found ourselves in the position of having all our teams at home.

So as a result it was decided to have a "back to" at the King George rooms this Sunday.

It'll take the form of presentation of match awards, a social drink and eats and will get under way at the completion of the Under-12's game (approx. 2.30pm).

See you there.

HELP NEEDED - NOW.

It's amazing, but apparently one of the hardest things for an individual to do is to put their hand up - and **help**.

Well, it's time for a change.

We currently have a couple of teams that urgently require parents to **help** their son or daughter. To **help** their team.

It doesn't take a Rhodes Scholar to recognise when a Coach or Team Manager is under the pump. When they need **help**.

Whether it be on game day when a goal umpire or umpire escort is required, or at training where a couple of parents (by simply volunteering) would be of invaluable assistance to a Coach and his players.

It is unfair to stand back and do nothing.

Don't wait to be approached. Take the initiative.

Put your hand up. *Please*.

ZERO TOLERANCE - SWEARING

As has been mentioned in the last couple of issues of *THE DEE* abuse of any kind directed at Umpires is totally unacceptable and any fine imposed on our Club, by the League, will be paid by the offending player/spectator.

Now we have another warning from the League - regarding swearing.

Umpires have been instructed to penalise and/or report any player that swears **AT ALL** - even if it is out of frustration due to a player's own error, ie. a poor kick or a missed tackle.

There are no excuses - you and your team will pay the penalty, whether it be a free kick to the opposition and/or the offending player being sent off leaving your team one short.

Discipline comes in many forms and self control is one of them.

MILESTONES?

THE DEE has yet to hear from any Team Manager regarding player milestones.

Please check your Team lists for I've got an annoying twitch (itch?) that tells me that one of our players is due for some recognition. *Ed*.

MELBOURNE PLAYERS

Many thanks to Matthew Bate, Aaron Davey, and Nathan Carroll from the Melbourne Football Club for making themselves available to attend training at King George last week.

They assisted our coaches with the training drills and gave a few tips on what it takes to play at the highest level.

Thanks must also go to the Melbourne Football Club for participating in the program that enables AFL players to get involved at the junior level.
